

Gawsworth Ramblers Walk

On Tuesday June 19th we shall walk from Middle Lane/Pedley Lane, Timbersbrook to South of North Rode and back. We start the walk by parking on Middle Lane near to Key Green Methodist Church in Timbersbrook, CW12 3PT.

A circular 5 mile walk mostly flat. A pleasant walk with some good views. The Canal section is peaceful, the roads are quiet and apart from the start around the small settlement of Key Green, you pass very few buildings. For much of the walk, the impressive Bosley Cloud “dominates” the sky line to the East. Wear stout footwear as some of the fields can be uneven and muddy after wet weather. We shall lunch later at the Castle Inn, Castle Inn Road, CW12 3LP.

Please contact Suzanne with your intentions to walk or lunch.
